To make available life saving and essential drugs at reasonable prices to the poor, the draft National Pharmaceuticals Policy-2006 proposes, *inter alia*, that the basket for price control would be the essential medicines as contained in the National List of Essential Medicines, 2003 in addition to 74 drugs which are at present under price control under the Drugs (Prices Control) Order, 1995.

Draft National Pharmaceutical Policy was considered by the Cabinet at its meeting held on 11.1.2007. The Cabinet has referred the Policy to Group of Ministers (GOM). The First meeting of the GOM was held on 10.4.2007. No time frame has been set for finalizing the National Pharmaceuticals Policy.
